Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the 211 Technologies Project in FY 2023:

The entity to receive funding for this project is the United Way of Greater Cleveland located at 1331 Euclid Ave., Cleveland, Ohio 44115.

The funding would be used to improve technologies associated with 211 including updating laptops, docking stations, monitors, headsets, and peripherals for staff members. The project would be a valuable use of taxpayer funds because as disorders pertaining to mental health increase, it is imperative that those in crisis have access to the help they need. Updating this equipment will ensure 211 staff can connect vulnerable people to services able to address their mental and behavioral health issues.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Anthony Gonzalez
Member of Congress
